

# INVENTORY of GENEALOGY PERIODICALS

July 1, 2017

## INTRODUCTION

This is an inventory of the periodical holdings in the genealogy collection at the Santa Clara City Library. The collection includes many major genealogical journals.

The collection contains roughly three hundred seventy titles. Many of these are indexed on PERSI - the Periodicals Source Index. (Heritage Quest Online has PERSI to 2009, and Findmypast has 2009 on. See the Library's Genealogy Databases page.)

This inventory is arranged by categories, just as the periodicals are arranged on our shelves:

Computers

International General

Countries -- in alphabetical order

United States General,

United States Regional,

U. S. States - in alphabetical order.

This inventory indicates where issues may be found: Issues listed in the column 'Genealogy Room' are available in the shelves open to the public. Issues listed in the column 'Storage' have been moved to a storage area. Issues from storage may be requested at the Reference Desk, or by arrangement with the Local History/Genealogy Librarian, or by arrangement with the Society Librarian.

The collection is maintained by the Library Committee of the Santa Clara County Historical and Genealogical Society. This inventory can be viewed on the Society's web site, and on the paper copy available on the Periodicals shelves, kept as the last binder in the right-most shelves. These holdings are not listed in the Library catalog.

Periodicals are obtained from a combination of library subscriptions, society subscriptions, exchanges with other societies, continuing donations, and one-time donations. Hence the range of issues is long and continuous for some titles, and short or fragmented for others. Abbreviations used in this inventory "BR for broken run, and "Inc." for incomplete mean the same.

Please ignore the mix of Roman and Arabic numerals in this inventory. Periodical numbering schemes go back and forth between them over a period of years.

## **INVENTORY of GENEALOGY PERIODICALS**

**July 1, 2017**

We cannot guarantee what future issues we will receive. Many societies have begun publishing their magazines and newsletters online, and have discontinued exchanges with us. Generally speaking, any title that shows 'ongoing' can usually be expected to continue on through the year. Also, many newsletters (as opposed to journals) are purged from the collection after one or two years.
